## FOR YOUR REFERENCE LIBRARY

### Commercial Fertilizers

by Gilbert H. Collings

An excellent text on the sources and uses of fertilizer raw materials and the production and use of manufactured mixed fertilizers. The new fifth edition contains latest findings of research in fertilizer manufacture, fertilizer practice, and nutrition. Illustrated.

617 pages

\$9.50

### Soils and Fertilizers

by Firman E. Bear

Fourth edition discusses soil in all its aspects, including the recent advances in soil science and the newly developed soil chemicals.

420 pages

\$1.50

### The Chemistry and Technology of Fertilizers

edited by Vincent Sauchelli

A complete survey of the chemical fertilizer industry with leading authorities in the field discussing the raw materials used in chemical fertilizers and the conversion of these materials to suitable chemical compounds for the feeding of crop plants. Broad in scope, accurate and up-to-date.

705 pages

\$12.00

### Dictionary of Plant Foods

Reprint of the Plant Food Dictionary Section of 1962 Farm Chemicals Handbook

\$1.50

### Guide to Successful Speaking

by Harold P. Zelko

This pocket-size edition covers how to become a dynamic speaker: how to plan and prepare your talk . . . speak to influence other . . . lead in discussions . . . improve your ability as a speaker through learning to listen. Third Printing.

44 pages

\$1.00

## ON BAG PACKING COSTS

### CODDINGTON AUGER-MATIC

It's a cinch to fill and weigh valve bags in one operation with anything from powder to pellets on this low cost, portable AUGER-MATIC. No dust escapes . . . bags are kept clean.

Learn how you can save on packing costs (20 to 100 lb. bags) . . . send for brochure describing models with built-in scales, shakers, etc.

-----FILL OUT AND MAIL TODAY-----

E. D. CODDINGTON MFG. CO.

5026 N. 37th Street, Milwaukee 9, Wisconsin

Please send me facts on Auger-Matic Valve Bag Packer with unique quick-change auger.
